TOWN WARRANT

State of New Hampshire

Carroll ss.

To the inhabitants of the Town of Conway, County of Carroll, qualified to vote in Town Affairs:

You are hereby notified to meet at the Kennett High School Auditorium at Conway, New Hampshire, March 12, 1957, at nine o'clock in the forenoon to act upon the following subjects:

Article 1. To choose all necessary town officers.

Article 2. To see what sum of money the town will vote to raise and appropriate for the following purposes:

Section a. Town officers' salaries

- b. Town officers' expenses
- c. Election and registration expenses
- d. Municipal Court expenses
- e. Expenses of town hall and other town buildings
- f. Police department
- g. Fire department
- h. Insurance
- i. Civil Defense
- j. Health department
- k. Vital statistics
- l. Town office expense
- m. Town dump
- n. Town maintenance of highway, summer and winter
- o. Libraries
- p. Town poor
- q. Old age assistance
- r. Memorial Day
- s. Soldiers' aid
- t. Parks and playgrounds
- u. Damage and legal expense
- v. F.I.C.A.
- w. Interest on temporary loans and bonds

- x. Payment on bond issue
- y. County tax

Article 3. To see if the town will vote to raise and appropriate the sum of \$100 for the purpose of mailing inventory blanks to all taxpayers on the property warrant records.

Article 4. To see if the town will vote to authorize the Selectmen to distribute the blank inventories at the time that they take their inventory of Head and Poll taxes.

Article 5. To see if the town will vote to authorize the Selectmen to hire upon the credit of the town such sums of money as may be needed. Such sums not to exceed the combined School, Town and County tax budget, in anticipation of taxes raised for Town, County and School purposes.

Article 6. To see if the town will vote to raise and appropriate the sum of \$7,400 for the purchase of two new trucks for the Highway Department.

Article 7. To see if the town will vote to raise and appropriate the sum of \$13,000 for the purchase of a new loader for the Highway Department.

Article 8. To see what action the town will take on the following: Do you favor the continuation of the town manager plan as now in force in this town?

Article 9. To see if the town will vote to raise and appropriate the sum of \$600 to be paid to the State Tax Commission at the rate of \$5.00 per parcel for appraising new property.

Article 10. To see if the town will vote to raise and appropriate the sum of \$1,000.00, \$500.00 for the general expenses of the Information Booth located in North Conway and \$500.00 for the general expenses of the booth in Conway Village and to pay such sums respectively to the North Conway Chamber of Commerce and the Conway Chamber of Commerce to be expended for said general expenses of each such Information Booth respectively. Agreeable to a petition signed by William White and others.

Article 11. To see what sum of money the town will vote to raise and appropriate for remodeling and enlarging the Information Booth at Conway and North Conway. Agreeable to a petition signed by William White and others.

Article 12. To see if the town will vote to raise and appropriate the sum of \$500.00, Five Hundred Dollars, to the White Mountains Region Association for the purpose of issuing and distributing printed matter and advertising and otherwise publicizing the advantages of the town, in co-operation with the other 45 towns in the region. Agreeable to a petition signed by Richard G. White and others.

Article 13. To see if the town will vote to reappropriate the sum of \$1,000.00 as appropriated under Article 13 in last year's warrant, for the proper drainage of Mechanic Street in North Conway Village.

Article 14. To see what sum of money the town will vote to raise and appropriate to widen the present bridge at the outlet of Conway Lake and to grade the approaches to the same. Agreeable to a petition signed by Charles E. Davidson and others.

Article 15. To see if the town will vote to raise and appropriate the sum of \$275.00 to paint the roof of the wooden covered bridge crossing the Saco River on Route 16A at Conway Village.

Article 16. To see what sum of money the town of Conway will vote to raise and appropriate to assist in maintaining the Memorial Hospital at North Conway.

Article 17. To see if the town will vote to raise and appropriate the sum of \$13,500.00, said sum to be matched by the State of New Hampshire, and an additional sum to cover cost of damages to water and sewer lines, and to acquire drainage easements, said sums to be used in connection with the reconstruction of East Main Street in Conway Village.

Article 18. To see if the town will vote to adopt the provisions of the Municipal Budget Law; as provided for by Chapter 32 of the Revised Statutes Annotated, of the State of New Hampshire.

Article 19. To see if the members-at-large of the budget committee shall consist of three, six, nine, or twelve members.

Article 20. To see if the members-at-large of the budget committee shall be appointed by the moderator or elected by the town meeting.

Article 21. To see if the town will raise and appropriate the sum of \$390.00 for the construction of 40 street signs.

Article 22. To see if the town will vote to accept the following proposed by-law: Gasoline stations to be constructed in our township hereinafter must be located at least 1,000 feet from any other business establishment selling petroleum products. Agreeable to a petition signed by Jesse E. Lyman, Sr., and others.

Article 23. To see what sum of money the town will raise and appropriate toward the support of the Eastern Slope Region, Inc. Agreeable to a petition signed by Robert E. Duncan and others.

Article 24. To see if the town will vote to have the State Auditors audit the town books each year until this vote is rescinded at some future town meeting.

Article 25. To see if the town will vote to raise and appropriate the sum of \$5,500.00 to reroof and point and waterproof the walls of the Highway garage.

Article 26. To see if the town will vote to rescind the vote passed under Article 24 of the Annual Town Meeting of 1956, said article reading: "To see if the town will vote to widen Main Street in Conway Village from the bridge near the Heel Mill to the junction of N. H. Routes 16 and 113."

Article 27. To see if the town will vote to raise and appropriate the sum of \$1,038.24 for Town Road Aid with the State contributing \$6,921.62 and to see if the town will raise and appropriate \$4,540.00 for Class IV Urban with the State contributing \$4,540.00.

Article 28. To see if the town will vote to discontinue the short section of highway in Conway Village connecting Main Street with the street leading northerly past the house of William C. Kennett, said highway to be discontinued lying northerly of a triangular island and southerly of the Kennett High School lot. Agreeable to a petition signed by Robert S. Morrell and others.

Article 29. To see if the town will accept Jackson Avenue as a town road and to appropriate a sum of money for necessary repairs. Agreeable to a petition signed by Clifford Russell and others.

Article 30. To see if the town will vote to raise and appropriate a sufficient sum of money to rebuild the bridge on Whitaker Road so-called. Agreeable to a petition signed by Daniel E. Grant and others.

Article 31. To see if the town will authorize the Selectmen to deed to the North Conway Water Precinct for erection of a fire station, a part of the North Conway Park on the southerly end, going north 100 feet on Main Street, bounded on the south by a town highway, west by a town highway, east by Main Street, and north by the North Conway Park. Agreeable to a petition signed by Ledorique T. Savard and others.

Article 32. To see if the town will vote to accept as a public town way a portion of Pine Street so-called, said portion being an extension of the public way described in the Town Clerk's Records of the Town of Conway, Volume 8, Pages 454 and 455, under date of November 9, 1898, its center line running from the location of the stake 25 feet from the northwest corner of the then house of Mrs. Warren Dinsmore to Main Street, North Conway, this line being a straight line continuation of the center line last mentioned in the above description, and being the center line of the portion of said Pine Street under consideration for acceptance, said portion to be three rods wide.

Article 33. To see if the town will vote to raise and appropriate a sum of money to construct a drain at the junction of A and Main Streets in North Conway.

Article 34. To see if the town will vote to raise and appropriate a sum of money to construct a drain through Reporter Court to connect with the drain on Main Street.

Article 35. To see what sum of money the town will vote to raise and appropriate to complete the drainage system on Mill Street so-called in Center Conway. Agreeable to a petition signed by Charles E. Davidson and others.

Article 36. To see if the town will vote to raise and appropriate a sum of money to install a catch basin and necessary pipe to further drain Washington Street in Conway Village.

Article 37. To see if the town will vote to raise and appropriate a sum of money to prevent the escaping of sewer gas into the catch basin on Washington Street, Conway Village, at the Conway Furniture Company.

Article 38. To see if the town will vote to authorize the Selectmen to make application for a Federal loan, interest free, from the Housing and Home Finance Agency, under the provisions of Public Law 560, 83rd Congress; further to authorize the Selectmen to enter into an agreement with the Federal Government to obtain said loan, the proceeds of which shall be expended by the Selectmen for an engineering study, plans, specifications and cost estimates of the sewage disposal requirements in Conway; said loan to be repaid only if and when construction of such sewage disposal project is undertaken by said town.

Article 39. To see if the town will vote to raise and appropriate a sum of money to gravel and surface the uncompleted portion of River Street.

Article 40. To see if the town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) to grade and gravel surface Hillside Avenue and Muster Road in Conway Village, the approximate distance being 2,000 feet. Agreeable to a petition signed by Arthur L. Potter and others.

Article 41. To see if the town will raise and appropriate the sum of \$1,000.00 to grade and surface the road leading to the Town Dump in East Conway.

Article 42. To see if the town will vote to: resurface and tar the road from Goshen Corner (on Brownfield Road, South Conway) to the snowplow turn around at the R. J. Marvel, Jr., house on Davis Hill, a distance of 8/10 mile, and to raise and appropriate sufficient money for same. Agreeable to a petition signed by Reuben J. Marvel, Jr., and others.

Article 43. To see if the town will vote to raise and appropriate the sum of \$4,000.00 to install traffic lights at the junction of Main Street and Washington and Pleasant Streets in Conway Village or do anything in relation thereto.

Article 44. To see if the town will vote to raise and appropriate

the sum of \$5,500.00 to enlarge and alter the building housing the town offices at Center Conway.

Article 45. To see if the town will vote to reappropriate the sum of \$500 to defray the cost of perambulation of town lines.

Article 46. To act upon any other business that may legally come before said meeting.

Given under our hands and seals at Center Conway, N. H., this 23rd day of February, 1956.

REPORT OF LIBRARIAN

To the Citizens of Conway:

I hereby submit to you my report for the year 1956.

An examination of circulation records still show an increase in both adult and juvenile reading, with particular emphasis on non-fiction in both reading levels. This seems to be a nation-wide tendency.

Your librarian has given four book reviews, or talks, has attended a workshop for librarians at Durham and the joint New Hampshire-Vermont Library Association meeting at Fairlee, Vermont.

We were hostess library for the Neighborhood Meeting of librarians, with speakers from the State Library and Wolfeboro Library, as well as presenting as speakers from our town, Mrs. Brownlow Thompson and Mrs. Ira Glackens. On three other occasions, the State librarians have come to help with our problems.

Noteworthy exhibits this past year were an exhibit commemorating the 250th birthday of Benjamin Franklin and an exhibit from the Bowdoin College of Fine Arts. It is hoped we may have some equally fine ones this year.

The library staff and trustees are most grateful for the gifts of books and money for books from friends of the library. To the organizations and friends who helped to make the library more attractive at Christmas, and to the newspaper and Radio Station WJWG for the willingness to give us publicity, a sincere thank you.

To the library trustees who have been most co-operative, my personal gratitude.

Respectfully submitted,

PERSIS H. BERRY,
Librarian

Report of Police Department

1956

On January 26, 1956, I was appointed and received my commission as your Chief of Police of Conway, by the board of Selectmen, George Densmore, John Leighton and Earl Shirley, which I am deeply grateful to have received. I assumed the duties of this office fully aware that it was filled with great responsibilities. I sincerely hope that I have carried out these responsibilities in a manner that is satisfactory to most of you.

I hereby submit my report for the past year.

First of all, it was necessary for me to get officers to work with me, who would work for the interest of the department and the Town as a whole. You must not forget that a police officer is a real public relations man, therefore, I adopted these six simple rules to be followed by all my officers while on duty.

1. No smoking on the beat.
2. Keep neatly dressed and in full uniform.
3. Render every service possible.
4. No horse play.
5. Be courteous and strict and use plenty of common sense.
6. All doors to be checked nightly.

Uniforms

Knowing full well that the uniforms of past years were varied in color and design, I decided that our police department should conform to all departments elsewhere by being in regulation blues. It was necessary to purchase two new uniforms. We had about \$350 worth of clothing which I sent to Watkins and had all dyed blue at a cost of \$53.50. Since then, I have equipped three men with this clothing.

Safety Program

I have always felt that a safety program should be brought to the children of our schools, so I contacted the Motor Vehicle Department to see what they could do to help out, and on May 10, 1956, two Inspectors, namely, James Brown (now retired) and Clarence Van Kleat, came to the Conways and gave a very interesting program. It was held at the Community Center, North Conway, Elementary School at Center Conway and with the Conway Elementary School and Kennett High at the K.H.S. Auditorium. The program was presented to a total of 1,100 students.

Probation Set-up

In a job of this kind, one has many, many problems placed before him, especially among our young people. The department has a private set-up to deal with these cases and it is voluntary with the party involved. These records are not Public Property, nor do they become a record to be used for any purpose except to relieve the Police Department of unnecessary complaints regarding the young boys and girls

in this area. The persons involved will sign their true names and the offense for which they are being questioned. They may set the best time for their report to be made. This is a matter, not of record against any person, but a means by which the Officers and the individual may work out problems for the advantage of the entire community. There has been one boy only who has been handled through the State Probation Department. He was taken to the State School for thirty days and later on he was taken to the Mental Clinic at Concord for complete examination and tests.

Rubbish Trucks

Shortly after being appointed Chief, I prepared a message which was given out over our Radio Station about a rule of the Town, that any person or persons hauling rubbish, sawdust, etc., must have their vehicle covered, so as not to strew paper, boxes, etc., along the highways of own Town, going to the dump. It has not been necessary to arrest anyone for this offense as yet, as all who have been cautioned have co-operated.

Parking in Conway Village

For a long, long time, it has been necessary that some steps should be taken to relieve the traffic congestion which existed on the Main Street, so the early part of the summer, it was decided to make parallel parking only on both sides of the street from the four corners south to the Heel Hill and Public Service Co., and that a one-hour parking ordinance be in effect. At first, the plan was met with a lot of opposition. A meeting was called by the Chamber of Commerce and it was discussed at length and a report of the parking spaces available was given. It was a very good move as it has provided more spaces for the purchasing public to use, because all the workers and store owners were parking, sometimes all day long right in front of their own doors of business. Many summer visitors have been very outspoken about how much better it was to be able to stop and shop and be on their way. Much credit for the move goes to Selectman Charles Sturdivant.

Police Station

During the last of May, I asked the Selectmen if they would furnish some paint, I would paint the roof, as the old orange color was getting very shabby-looking and rusty. They took up my offer and later, upon examining the outside of the building, said they would furnish the paint for the whole building if I wished to do it also, which I agreed to do, and did. The roof is painted green and the building gray with white trim. After the paint was on, Mr. Dennett (Selectman) decided that it would also improve the looks by having the small sign taken down and have "Police Department" painted on the white trim over the doorway and have a small blue light at each end of the sign, which was done at a very small cost. The building has been cleaned on the inside. The grounds have been mowed all summer and kept clean. The work has been done by the department; namely, Officer Merle Eastman and myself.

Correspondence

There has been a fair amount of correspondence during the year. Letters have been received seeking all kinds of information and there has also been a quantity of forms from all branches of the armed services, as well as from big concerns hiring help from our section of the State.

Breaks

Yes, we have had some breaks in our town this past year. The usual at the Elementary schools in Conway and North Conway. At Frunzi's Garage, a safe was broken open and at the Shop in the Woods. This last one was on the busy October 12th holiday. Deputy Sheriff Herbert Taylor was with me on these.

House Guests — 72

There has been a total of 72 persons who have been given a night's lodging at the Police Station. Some were tramps who had nothing and it has been our policy to give the needy ones a breakfast and have them go on their way and not begging at doors for something to eat. Some have had money to live on and there have been several service men who have stayed over night, mostly on account of bad weather.

Warnings — 526

It has been my policy to have the department issue a warning instead of a summons if possible. These warnings are for several things such as: speeding, improper driving, failing to stop at stop signs (full stop), pedestrians, children, signals, etc. I find that many people, both local and strangers, do things unintentional and that by stopping them and letting them know they were wrong, ninety-nine per cent will admit their wrong doings and thank you for stopping them. There are many, many people passing through our villages who are doing so for the first time and have been helped upon asking directions to different parts of the State; also, we have been able to point out interesting parts of our Town.

Unlocked Doors — Conway Village

Red & White Store	2
Conway Furniture (2 stores)	6
Wheeler's Restaurant	1
Stimson's Garage	3
Abbott's Dairy	2
Colbath's (Trading Post and storehouse)	6
Demeritt's Store	1
Northeast Handling Co.	1
Public Service Co. (garage)	1
Western Auto Store	2

Unlocked Doors — North Conway

Main Street Garage	1
North Conway Diner	1
Jenney Station	1

Korner Kitchen	1
Key left in door (Gulf new)	1
Window open, Earle Dwelly	1
Lyman's Station, cushion left out	1
Amoco Station, tires left out	2
U. S. Post Office keys found on sidewalk	1

It has been our custom to call the owners to come and lock up except in a few cases, the lock could be snapped, and a card was placed under the door signed by the officer, stating what time it was found open and locked.

Accidents — 70

- 1 Child hit on tricycle — minor bruises
- 1 Child fell from car — minor bruises
- 1 Car only involved — 19
- 2 or more cars involved — 49

Family Troubles — 13

We have been called to these homes at all hours of the day and night and, as always, neither party will sign a complaint.

Special Functions

It has been my policy this past year to cover all special functions anywhere in the Town of Conway. These include events at the High School such as: football games, basketball games, operetta, musicals, graduations, pop concert, church sales, etc. Auctions — these are being taken care of extra from our regular tour of duty.

Funerals

At the first of the year, the funeral directors were asked to notify me when they were to hold a funeral and a police officer would be present. I have personally been on duty for 18 and Officer Morrill two.

Fatal Shootings

We had the misfortune to lose three of our citizens of Conway during this past year.

State Hospital

I have been to the State Hospital at Concord twice.

Emergencies

We have had two calls to go to the Memorial Hospital, once a man was sick at the Community Center at North Conway and was pronounced dead upon arrival there with Officer Sheaff. Then, two boys who were playing on the fire escape and one was pushed off. Officer Morrill took him and he was only shaken and bruised.

Drunks — 35

These were picked up in several places in town. Many were taken to their homes, some were taken to the Police Station and sobered off and some were then processed through the court. We have had very few repeaters this way.

Assistance to People — 17

We have assisted by getting gas, changing a tire for a party of ladies from Bartlett, locating friends and relatives, calling to get information needed, some stranded and many other requests. One tripped and fell on the sidewalk.

Other Duties Performed

Stolen and recovered car	1
Lights left on in stores and offices	7
AWOL (Air Force)	2
Summons served for Massachusetts	4
Summons served for Maine	1
Aid to Animal Rescue League	2
Rubbish fires	2
Stolen and recovered bikes	4
Lost cat	1
Dogs killed by cars	4
Bikes inspected at schools	

Investigations and check-ups were many. Street lights broken, North Conway, boys caught. Cars parked — no plates — dogs — children bothering neighbors — insulators being shot from electric high lines — noise — hot rods — bonfire Grove street, boys found — broken windows, rocks thrown at Snow Train at Conway — child having nightmares — town grader — lost and found children — lost and found handbags — mirrors and hub caps stolen, boy found, now being prepared for State Probation Department. One fire alarm bell ringing, Conway Supply caused by low air pressure on pump. One chimney on fire at Dr. Harold Shedd residence — owner notified and fire department called.

Courtesy Parking Tickets — 78

They read, "This is a courtesy parking ticket with good will. We suggest that your car is now illegally parked as checked below. May we have your co-operation?"

Hydrant, 3; Fire Station, 10; Cross Walk, 5; No Parking Zone, 18; Overtime, 5; Driveway, 4; Other, 33. Defective equipment tags have been given to motorists.

Court Cases — 55

Speeding	27
Drunk and disorderly	4
Disturbing the peace	2
Yellow line violation	5
Leaving scene of an accident	2
Careless and negligent operation	2
Driving under influence	2
Stop sign violation	1
Failure to answer summons	3
Operating without license	1
Operating after suspension	2

Beer for minors	2
Indecent exposure	1
Failure to stop for school bus with red lights	1

Our record for convictions is very good. We have had only three found not guilty. I do not plan to take anyone into court unless it is necessary.

Telephone Calls — 592

This number is by no means accurate, as many calls have been answered that were not recorded, and you would be surprised at the number of things that are asked. Three hundred and forty of these calls are recorded in a book at my home by my wife. As perhaps many of you don't know, we have a red light connected to the phone at the police station and same in Conway. When the phone rings, the light comes on. We call my house, as many call my house number and my wife dials which man is wanted. She has been very faithful in taking these calls and very seldom is my phone left unattended. Upon being away, we call the operator and tell her where to place any urgent calls. However, it may be necessary to make other plans, perhaps to some kind of answering device in the near future, as people call the police station during the hours that we are off duty. If they call the operator, she always rings my home. The new telephone book covers give some people the impression someone is at the station all the time.

Conclusion

It was on July 3, 1944, when I first was appointed a special officer of the Town of Conway. Since that time, I have worked on all kinds of details and have enjoyed the work very much. Nearly a year ago, I was appointed as your Chief, and I have tried very hard to maintain a higher standard police department. I have tried to serve the people and help where and whenever we could. I knew before I started that you cannot satisfy everyone all the time, so have tried to satisfy the most. Working for the public is a real job. In this work, if you do your duty, some will kick, and if you don't, they will kick. I have tried hard to keep the so-called hotrods somewhere near the line. We have begged, talked, scolded, warned and some have finally been brought before the court. There have been times where I have been able to go to the parents and help the kids, and there are some parents who uphold their boy or boys, no matter what they do, and condemn the officer, in fact, even go to the Selectmen and want him fired. I often wonder what these same people would say, if sometime, we are called and in turn have to call an undertaker to come with his basket and pick up the remains of his or her boy. I know we would be blamed for not doing our duty.

When I started this year, I notified the other branches of law enforcement that I wanted real co-operation between us and all are free to use our office, jail, etc. I can truthfully say that we have had just that, all through the year. I have found in Herbert L. Taylor, Deputy Sheriff, a great deal of help and I assure you it is always a pleasure to have him help me and to help him. Sheriff Foss is no

stranger, as we have worked together at times, and I have also enjoyed working with our State Police: Sgt. Swift, Troopers Hayes, Sturvis, Aspinall, Knowlton and finally Trooper Laurhammer. No longer do the Troopers have to call me, as I have instructed them to carry on their work right through town. We help each other every chance we can. The Motor Vehicle Inspectors are the same and we do a lot of work together. We have gained a lot of experience in 1956 and hope to do a lot more in 1957.

We have the police department working closer with the fire departments of the town. I attended the Governor's Conference held at the Eastern Slope Inn this past fall. I have tried very hard to help promote all parts of our Town by working closely with the Chambers of Commerce. I often wonder if some of our people really realize the tremendous amount of traffic that flows through our villages with only a very few regulations and a small number of police officers. I have had residents complain because traffic moves fast by their house, maybe a side street, or why an officer doesn't spend his time in front of his or her house, twenty-four hours a day. Well, we have done the very best that we could. We walk our beats when it is the busiest and I do a lot of cruising with my car all over our town late at night when many are fast asleep and do not know I am constantly watching for fires and anything else along the way. Since the night of October 31 through November and December, I have traveled about 4,500 miles. Days and days I am on the go somewhere about town on police work in plain clothes.

Recently, I presented to the Safety Squad at the North Conway Elementary School, new safety belts as a personal gift from me. I have enjoyed working with children everywhere and hope to do more in the coming year.

I wish to extend my sincere thanks to all who have supported me this past year: to John Leighton, Melvin Dennett, Charles Sturdivant, our board of Selectmen, and to Mr. Wardwell, our Town Manager. They have been very co-operative and it has been a pleasure to work with them at all times.

The department roster:

H. S. WILSON, JR.
Director

REPORT OF OFFICE OF CIVILIAN DEFENSE

January 15, 1957

Selectmen, Town of Conway

Center Conway, New Hampshire

Dear Selectmen:

I took over the office of Director of Civil Defense for the Town of Conway, July 3, 1956. During the week of July 20-26, there was a National Civil Defense Alert. The nation-wide alert was on July 20. This alert pointed out the inadequacy of our warning system and the lack of a communication in the various sections of the town. This must be corrected as soon as possible in the near future.

We now have two Ground Observer Posts: one at the Skimobile and the other in the tower of the Presidential Inn. The Skimobile takes care of its own post but we have to maintain the post in the Presidential Inn. The tower is being altered and equipped with heat so that it can be manned in winter as well as summer. Both posts have a very good record with the Air Force in reporting planes.

The Auxiliary Police and the Warden Units are in the process of being enlarged. The Emergency Welfare Services are fairly well organized but much more has to be done. I have hopes of getting the various other units started in the very near future.

As I mentioned before, we need a communication system. I would like to recommend a municipal radio network which would be used

daily for all police, fire, emergency and Civil Defense needs. The Town of Conway is one of a very few communities that are without a communication system. As it is now, we have to depend on the State Police network, Forestry network, which operates only eight or nine months of the year, or the telephone. In emergencies or a Civil Defense Alert, these would be taxed to their limit and there would be considerable delays in reaching C.D. Headquarters in Concord. This would necessitate an appropriation of \$2,500. This would mean equipment for a Control Center and enough mobile units to cover the entire Township. This amount, with a like amount supplied by State and Federal agencies, is ample to set up coverage for the entire town. This estimate was made during a conference with the State Communications Officer Basil Cutting. It is my sincere hope that this amount will be appropriated for Civil Defense for the coming year.

I wish to thank all those who have helped in the Civil Defense Activities during the past year.

HERBERT S. WILSON, JR.
Director of Civil Defense

REPORT OF ADVISORY COMMITTEE

On a motion made at the last Town Meeting, a committee of seven legal voters were to be appointed by the Moderator to work with the Selectmen and the Town Manager, if any, on recommendations to enlarge the present office building. Your Moderator appointed the following: Robert Davis, Forrest Saunders, Arthur Cressey, Raymond Ambrose, George Tuttle, Frank Philbrick, Melvin Dennett.

The Committee met with the Selectmen soon after appointment and after much discussion with Library Trustees, we made some temporary arrangements to take care of year 1956. The Library, which is at the side of the Town Offices, was divided and a room nine feet by 10 feet was added. Storage room was made from rear of the office rooms. This seemed to take care of needs for this year.

With regard to future needs, we find that the present vault is not large enough for storage of valuable records. We recommend that present building be enlarged to include more vault space, more office room space, new heating system (using whatever can be salvaged from the old system), four fireproof cabinets, also office equipment. The above to be determined by the Town Manager and Selectmen. They have estimates under consideration for the above.

We recommend that the Town Auditors audit the books twice each year.

With reference to all other recommendations, the committee feels that the Selectmen and Town Manager are qualified to handle whatever they need.

Respectfully submitted,
Frank H. Philbrick, Chairman

REPORT OF FOREST FIRE WARDEN

DANGER FROM FIRES IN WOODLANDS

Woodland litter, when dry, is highly inflammable and fires can quickly get out of control. We request your co-operation to control all fires so that lives and property may not be endangered or destroyed, and forests be kept green to furnish the natural beauty we all enjoy and to grow timber we will need.

WHAT IS "WOODLAND"?

The term "woodland" is defined by law to include, "cut-over land, slash and such other land as bears a sufficient amount of wood growth, wood, weeds, grass or other growth as to be likely to be burned over."

When in the woods, you are expected to exercise caution in the use of fire and to remember that

IT IS UNLAWFUL TO

Throw down lighted matches, cigarettes, or other burning substances from vehicles or otherwise.

Burn brush, rubbish, grass or other materials when the ground is not covered with snow, without written permission from the Forest Fire Warden.

Kindle a camp or cooking fire on land of another without permission from the owner or his agent.

Leave an open fire burning unattended.

Fail to report a forest or brush fire that is out of control.

VIOLATORS ARE SUBJECT TO THESE PENALTIES

Anyone letting a fire escape from control, whether or not he has a permit to kindle the fire, is liable for the costs of extinguishing the fire.

Anyone found guilty of dropping inflammable material in or near woodland shall be fined not more than \$25.

A person failing to report an uncontrolled brush or forest fire is liable to a fine of not more than \$10.

For kindling a fire in woodland of another without permission of the owner, or for kindling any fire without a permit when a permit is required, a person may be fined not more than \$200, or imprisoned 60 days.

DAMAGES

Every person who shall set fire on any land, that shall run upon the land of another, shall pay to the owner all damages done by such fire.

BE SURE — GET A PERMIT

Incinerators should be tight, with a close mesh screen, and be on clean ground. Open fireplaces used to burn rubbish are classed as incinerators. Always clean a space about any open fire to prevent its spread. Never burn in dry, windy weather. Have incinerators inspected by the Forest Fire Warden and get his written permission.

Number of permits, 102; number of fires, 2; acreage burned, 13%.

PROCEEDINGS OF ANNUAL SCHOOL DISTRICT MEETING APRIL 14, 1956

Agreeably to the foregoing warrant, the meeting of the Conway School District was held at Kennett High School in Conway at 2 o'clock in the afternoon on April 14, 1956.

The meeting was called to order by Burnham B. Davis who read the Warrant, certificate of posting and oath; and certificate of the check list and correction and posting of said check list, and oaths of the School Board members.

The polls were declared open and proceeded to vote by ballot under Articles 1, 2, 3, 4, and 5 while acting on the other Articles of the Warrant.

Under Article 6

A motion to lay Article 6 on the table and take up Articles 8, 9, 10, and 11 by Mr. Altenbern was voted upon and the motion was lost.

On motion by Robert H. Kennett, duly seconded, it was voted that the School District raise and appropriate the sum of \$341,674.01 for the support of the schools, for the salaries of School District officers and agents and for the payment of statutory obligations of the District and to authorize the application against said appropriation of such sums as are estimated to be received from the State Equalization Fund, together with other income, the School Board to certify to the Selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxation.

Under Article 7

On motion by R. L. Grindle, Jr., duly seconded, it was voted to raise and appropriate the sum of four thousand five hundred (\$4,500.00) dollars so much thereof as is necessary to be used for the purchase and installation of automatic oil-burning equipment in Kennett High School.

Under Article 8

On motion by Frank E. Kennett, duly seconded, it was voted that the School Board be authorized to sell and convey a portion of the Mason property and the whole or any part of the School District property on Seavey Street at such price and to such grantees as the School Board consider to be to the best interests of the School District.

Under Article 9

On motion of Robert S. Morrell, duly seconded, it was voted that the sum of seven thousand one hundred eight dollars and fifty-one cents (7,108.51) be appropriated for the construction and equipment of new elementary schools in North Conway village and Conway village.

Under Article 10

On motion of Robert H. Kennett, duly seconded, it was voted that the District appropriate any unencumbered surplus funds of the District remaining on hand on June 30, 1956, and funds from the sale of bonds and the interest on the Treasury Bills to supplement the appro-

priation made for the construction and equipment of new elementary schools in North Conway village and Conway village at the Special Meeting of the District held on November 19, 1955.

Under Article 11

On motion by Edith C. Perkins, duly seconded, it was voted to appropriate any balance remaining in the accumulated Capital Reserve Fund to supplement the appropriation made for the construction and equipment of new elementary schools in North Conway village and Conway village at the Special Meeting of the District held November 19, 1955, and to authorize and direct the Trustees of Trust Funds to pay over such balance to the School Board as Agents for the District, to be expended for the purpose of said appropriation.

Under Article 12

It was voted that the polls close at 8 o'clock p.m.

At 8:00 p.m. the polls were closed and the ballots counted.

Total ballots cast	211
For Moderator	
Burnham B. Davis	121
and he was declared elected.	
For Clerk	
Neil C. Cates	188
and he was declared elected.	
For Treasurer

Today the rate is	305.00
Next year the rate has been established at	340.00

Report of Superintendent

To the School Board and Citizens of Conway:

In the short time since we sold the school bonds at an interest rate of 2.7, the rate has spiralled to 4% and construction costs have continued to increase. The new elementary schools reflect the careful planning of the School Board and Building Committee in obtaining the maximum of school building facilities for a cost of \$10.86 a square foot as compared with the National average of \$14.85 a square foot.

Reinforced concrete foundations, reinforced damp-proof concrete floor slabs, structural steel frame, pre-cast concrete insulating roof decking, twenty-year bonded roof. Lead-coated copper flashings, aluminum sash, brick facing with cinder tile backing, cinder tile interior partitions, acoustical tile, plastered and structural ceilings, large glazed areas in corridor, large display cases in lobby, ceramic tile floors, asphalt tile finished floors, wood stage floor. Stainless steel kitchen equipment, steel interior door frames. Modern paint decorations. Program plumbing system thirty-six fixtures, five-zone forced hot water heating system. Forced ventilation.

ARCHITECT'S DRAWING OF THE NORTH CONWAY ELEMENTARY SCHOOL
Similar to the New Elementary School in Conway

The Conway School Board has revised the salary schedule for teachers. The minimum salary for teachers with a bachelor's degree will be \$3,200.00 for the first year and a maximum of \$4,800.00 in the 13th year; for those holding the master's degree, a minimum of \$3,400.00 and a maximum of \$5,000. Certified teachers without a degree, a starting salary of \$2,600.00 and a maximum of \$3,900.00

Extensive work was done on the Kennett High School athletic field. The sewerage disposal line was repaired and extended. The high school auditorium was painted. The usual minor repair program was carried out in the elementary schools.

It became necessary to rent the primary classroom in the new addition of the Second Congregational Church for one section of the first grade in Conway. This year we have classes in these buildings: a fourth grade in the Community Center at North Conway, two fourth grades in the Precinct Building in Conway, a first grade in the Little Building, a first grade in the Second Congregational Church, and a sixth and eighth grade in the high school building.

You will notice an article in the Warrant regarding a Helping Teacher. A Helping Teacher will provide the school districts of this Union with essential supervisory and educational consultant services that will improve the quality of instruction. The state will pay \$2,500.00 as its share of the Helping Teacher's salary and the Helping Teacher will be governed by the same laws, rules, and regulations as apply to superintendents. The criteria used by the Commissioner of Education in determining which Unions shall be qualified for the services of a Helping Teacher are: the number of teachers, number of pupils, number of schools, and population trends. This Supervisory Union has been designated by the Commissioner of Education as meeting these requirements.

The Helping Teacher as defined under Section 24, Chapter 186 of the New Hampshire State Laws: — a teacher with specific training and experience which will enable her, or him, to give helpful advice, counsel, and assistance to teachers, pupils and parents of a school system as a constructive means of improving the educational growth and development of children, solving pupil problems of retardation and maladjustment, adopting the program of studies to meet the needs of the children and the community, bringing resources outside of the school to classroom teachers, pupils, parents and community, and in general acting as consultant to the entire staff and community in recognition of the educational needs.

The number of children and youth requiring school transportation has increased each year. The summary which follows clearly shows that our school district is benefiting substantially from the operation of district-owned buses.

Today, in the Conway Schools, more emphasis than ever is placed in the teaching of the "fundamentals." The three R's are still the basic foundation of the curriculum. The teaching of phonics is particularly stressed as an aid to independent reading without losing sight of the

main objective — reading for learning, understanding, and meaning. Although we can boast about the achievement of the overwhelming majority of the children in our schools, we always have a few who encounter difficulties in some phase of their school work. Through a process of testing, guidance, and counseling, these children are carefully observed and usually provided a program involving additional time and help so that they may achieve, in varying degree, some measure of successful school experiences.

Our schools are deeply rooted in local responsibility. The citizens of Conway have evidenced their faith in public education and understand the benefits of a sound educational investment.

REPORT OF SCHOOL NURSE

1955 - 1956

The school health program is designed to raise the health standards of all pupils; to know what is good for one's health; to establish sound health habits and attitudes; to dispel a child's fear of doctor and dentist examinations and treatments; to help parents to know where they can go for desired help outside of the community; how to avoid illness and accident; and how to protect the health of others.

In the fall of 1955, 388 physical examinations were done. All pupils desiring the examination from the first, fourth, seventh and 10th grades were done at the hospital. The students out for sports who were not done at the hospital were done at Kennett High School by Dr. Chester Wiggin and Dr. William Duprey, Jr.

During the year 574 first or second shots were given of the Salk Polio vaccine; 366 tuberculin Patch tests were given; 75 chest X-rays were taken; 1,204 vision tests were done, 20 vision defects discovered and 17 of the defects were corrected; 368 hearing tests were done, 10 defects discovered and two received treatment; three treatment centers were held at Kennett High School for the checking of exercises for the orthopedic defects, and an average of 12 to 20 pupils attended; 60 pre-school pupils attended the pre-school summer round-up. Each child was weighed and measured, teeth and tonsils checked; and parents were advised as to the importance of the immunizations that are available.

I wish to express my sincere appreciation for all the help given in the School Health Program.

JULIA T. COX, R.N.
School Nurse
